Written information was provided to students, and students were encouraged to visit the stations. Any available student resumes were collected.

Dates of participation in events: October, 2018; February, 2019.

(b) Initiative: Internship Program

In cooperation with the Broadcasting departments of the College of Charleston, Trident Tech, University of South Carolina, and Clemson University, the SEU has developed an internship program. Each semester one student is chosen to receive training in all aspects of the Kirkman Broadcasting operation, including, for example, sales, production, and programming. The SEU promotes the program online, at career fairs, and at the school. The interns receive course credit for their efforts.

INTERN: Intern #1 (On-air production and research) – June-August 2018,
Intern #2 (On-air production and research) – June-July 2019,
Intern #3 (Marketing and Sales) – May-August 2019.

(d) Initiative: Career Fairs

The SEU’s Operations Manager, who has substantial responsibility in the making of hiring decisions, attended the Communication Networking Fair at the College of Charleston in 2018. The Operations Manager discussed careers in the broadcast industry with Fair participants. All students were encouraged to visit the stations, and available resumes were collected.

In April, 2019 the SEU attended a Career Fair at Charleston Southern University from 11am to 3:00pm. The Sales Manager, who has substantial responsibility in the making of hiring sales department decisions, attended the Career Fair. The Sales Manager discussed careers in the broadcast industry with Fair participants. All attendants were encouraged to visit the stations, and available resumes were collected.

In April, 2019, the SEU’s Sales Manager, who has substantial responsibility in the making of sales department hiring decisions, attended 2019 Career Fair at Trident Technical College from 10am to 1pm. The Sales Manager discussed careers in the broadcast industry with Fair participants. All students were encouraged to visit the stations, and available resumes were collected.

(e) Initiative: Mentoring

The SEU provides an ongoing, informal mentoring program, designed to help lower-level station personnel qualify for higher level positions. Five of our employees have at least twenty-five (25) years of experience, and on a regular basis, advise and mentor junior employees on furthering their careers. Meetings are held weekly.
